

Pellon Price List

We want to facilitate the purchase of fabric and batting with distributors who provide a discount to Quilts of Valor® Foundation. We have worked out a process for Pellon Consumer Products which will allow Group Leaders to use available Group Funds to purchase from Pellon at discount pricing.

Pellon batting – AR9030 – 90” x 30 yards at \$2.06/yard x 30 yards = \$61.80/roll

AR9030 – Pellon Natures Touch Natural Collon/Poly 80:20 Blend Batting Roll 90” x 30 yds

Please do the following:

- Estimate what your group would like to purchase.
- Email Michelle.Stevens@PellonUSA.com for a shipping quote
- Email PORequests@qovf.org with the estimated total amount.
- QOVF will email Pellon and copy you with a Purchase Order Number and a Not to Exceed (NTE) Amount.
- Pellon will send the invoice to the group leader. It is the responsibility of the GL to ensure the invoice is sent to PORequests@qovf.org for payment. The invoice must contain the QOVF PO# or the purchase will not be paid by QOVF. ***You must do this prior to arranging pickup and shipping.***
- Payment will be withdrawn from the Group’s account.

Key Items to Note:

- A PO Number is only valid for 30 days and for one (1) invoice; if you do not spend all of the PO, you cannot ‘reuse’ it for a future order, you will need to submit a new request.
- When the invoice is presented to QOVF for payment, if your group does not have enough funds to cover the full invoice, the Group Leader will receive an invoice for the balance from QOVF and is expected to submit the difference within 15 days.

If you have any questions, please feel free to reach out to us and we’re happy to help.
